Section 4.04 Nondiscrimination. In performing under this Agreement the Consultant will not discriminate against any worker, employee, applicant for employment, or any member of the public, because of race, color, creed, national origin, gender, age, or disability, or otherwise commit an unfair labor practice. The Consultant certifies that he/she is familiar with, and will comply with, all applicable provisions of the Civil Rights Act of 1964, 28 U.S.C. § 1447, 42 U.S.C. §§ 1971, 1975a-1975d, 2000a to 2000h-6 (1992); the Age Discrimination in Employment Act of 1967, 29 U.S.C. §§ 623-634 (1992); the Americans with Disabilities Act of 1990, 29 U.S.C. § 706, 42 U.S.C. §§ 12101-12213, 47 U.S.C. §§ 152, 221, 225, 611 (1992); 41 C.F.R. § 60 (1992); 41 C.F.R. § 60 (1992); reprinted in 42 U.S.C. 2000(e) note, as amended by Executive Order No. 11,375 32 Fed. If, in the performance of this Agreement, any direct or indirect "kick-back" is made, as defined in any of the above mentioned laws and regulations, the Commission may withhold from the Consultant, out of payments due to the Consultant, an amount sufficient to pay any underpaid employees the difference between the salaries required to be paid under the law and this Agreement and the salaries actually paid such employees for the total number of hours worked. The amounts withheld may be disbursed by the Commission for and on account of the Consultant to the respective employees to whom they are due, as determined by the Commission in its sole discretion.

Section 4.06 Compliance with Policies Concerning MBE and WBE. Without limiting the generality of the requirements of the policies of the Commission referred to in Section 3.01 above, the Consultant will use every reasonable effort to utilize minority business enterprises for not less than 25% and women business enterprises for not less than 5% of

the value of the Services, in accordance with the Resolution passed by the Board of Commissioners of the Commission on October 1, 2004, concerning participation of minority business enterprises and women business enterprises on contracts, other than construction contracts, awarded by the Commission and to furnish to the Commission, such reports and other information concerning compliance with such Resolution as may be requested by the Commission from time to time.

Section 4.07 Records. The Consultant must maintain accurate and complete records of expenditures, costs and time incurred by the Consultant and by consultants engaged by the Consultant in connection with the Project and the Services. Such records will be maintained in accordance with recognized commercial accounting practices. The Commission may examine such records at the Consultant's offices upon reasonable notice during normal business hours. The Consultant must retain all such records for a period of not less than five calendar years after the termination of the Agreement. However, if there is a disagreement over fees, then the Consultant must retain all such records for a period of five years or until a final resolution of the matter - whichever occurs later.

Section 4.08 Compliance with Laws. In performing its engagement under the Agreement, the Consultant must comply with all applicable federal, state and local laws, rules, and regulations.

Section 4.09 Weekly Meetings. Weekly meetings, if necessary, will be scheduled upon the Commission's request for the duration of the Services. The Consultant will cause such meetings to be attended by appropriate personnel engaged in performing or knowledgeable of the Services.

Section 4.10 Defects in the Services. The Consultant must notify the Commission immediately if the Consultant obtains knowledge of an issue or circumstances which could result in a delay in the performance of Services or significant problem in connection with the Project, including construction defects, cost overruns or scheduling delays.

Section 4.11 Performance Standard.

- (a) The Consultant represents that the Services performed under the Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field consistent with that degree of skill and care ordinarily exercised by professionals performing services of a scope, purpose, and magnitude comparable with the Services to be provided under this Agreement. The Consultant further promises that it will assign at all times during the term of the Agreement the number of experienced, appropriately trained employees necessary for the Consultant to perform the Services in the manner required by the Agreement.
- (b) The Consultant must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Consultant must maintain current copies of any such licenses and provide these copies upon request by the Commission. The Consultant remains responsible for the professional and technical accuracy of all Services furnished, whether by the Consultant or others on its behalf. All deliverables will be prepared in a form and

content satisfactory to the Commission and delivered in a timely manner consistent with the requirements of the Agreement.

- (c) The Consultant must not use any business or individual who is disqualified by the Commission or debarred under any other governmental agency's procedures to provide the Services under the Agreement.
- (d) If the Consultant fails to comply with the obligations under the standards of the Agreement, the Consultant must perform again at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the Commission does not relieve the Consultant of its responsibility to render the Services and deliverables with the professional skill and care and technical accuracy required by the Agreement. This provision in no way limits the Commission's rights against the Consultant either under the Agreement, at law or equity.

Section 4.12 Errors and Omissions. The Commission has a committee that reviews the project for alleged errors and omissions by the Consultant. The Committee will, as appropriate, conduct an internal review of the alleged error and omission, provide a written statement of claim regarding the alleged error and omission to the Consultant, allow the Consultant to respond in writing, and meet with the Consultant to attempt to settle the claim when the Commission concludes an error or omission has occurred. The Consultant will attend such meetings without additional compensation. Upon notice or discovery, and as directed by the Commission, the Consultant will perform, without additional compensation, the required professional services to correct or clarify errors, omissions, or ambiguities. The Commission reserves the right to recover, from the Consultant, damages incurred by the Commission resulting from errors or omissions in documents prepared by the Consultant. The Commission may withhold payments, in whole or in part, for a material breach of the Agreement, including but not limited to, the Consultant's failure to perform services or meet the schedule, design errors or omissions and failure to adhere to terms of this Agreement.

Section 4.13 Amendments to this Agreement. The Commission may from time to time request changes to the terms and Services of the Agreement. Such changes, including any increase or decrease in the amount of compensation and revisions to the Services and/or duration of the Services, which are mutually agreed upon by and between the Commission and Consultant, will be incorporated in a written amendment to the Agreement. The Commission will not be liable for any additional payment absent such written amendment.

Article V. TERM

Section 5.01 Duration. The term of the Agreement begins on the Commencement Date of Services specified in Schedule A, and subject to the provisions in this section, expires upon completion of the Services and acceptance of the Deliverables by the Commission.

Section 5.02 Termination by the Commission. The Commission has the right, at any time, to terminate this Agreement in whole or in part, with or without cause, by written notice given to the Consultant at least 30 days before the effective date of termination. So long as the Consultant is not in default under this Agreement at the time of termination, the Commission will pay the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of

termination. The Commission may exercise any right of set off regarding the Consultant's failure to properly perform Services from payments that are due to the Consultant.

Section 5.03 Suspension by the Commission. The Commission also has the right, at any time and from time to time, with or without cause, to suspend the performance of the Consultant hereunder with respect to all or any part of the Services, by written notice given to the Consultant at least 5 days before the effective date of suspension. During the notice period the Consultant must wind down its Services. So long as the Consultant is not in default under this Agreement at the time of suspension, the Commission will pay the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of suspension

- (a) During the period the Consultant's performance is suspended, the Consultant is not entitled to incur fees or bill the Commission, except for Consultant's time for participating in substantive meetings concerning the Project (but not for meetings to discuss Consultant's invoices or claims). The Consultant may bill such time spent during a suspension only if the Consultant's participation is requested by the Commission and only for the time of one individual per meeting. Commission will pay for such time at the applicable hourly billing rate set forth in Schedule D. Participation in meetings at the request of the Commission is not considered to be resumption of the Consultant's Services.
- (b) If the Consultant is required to resume its Services under this Agreement, the Commission will notify the Consultant in writing, giving the Consultant a reasonable period not to exceed 10 days to remobilize itself. The Consultant may bill such time spent on remobilization. The Commission will pay for such remobilization as is reasonable and billed at the hourly rate for one Senior Project Manager or less at the hourly billing rate set forth in Schedule D. The number of days during which the suspension period lasted, including any remobilization time, will be added to the Completion Date of Services set forth in Schedule A, establishing a revised Completion Date of Services, and the Consultant will re-commence its Services at the point they were suspended and may resume billing in accordance with the terms of the Agreement.

Section 5.04 Effect of Termination or Suspension. Termination or suspension of this Agreement in whole or in part does not relieve the Consultant from liability for its performance of any obligation under this Agreement that was performed or was to have been performed by the Consultant on or before the effective date of termination or suspension. In no event will the Commission be liable to the Consultant for any loss, cost or damage, including lost profits, which the Consultant or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided in it.

Section 5.05 *Force Majeure.* Neither of the parties will be liable to the other for any delay or failure in performance hereunder due to causes which are beyond the control of the party unable to perform. If a force majeure occurs, the party delayed or unable to perform will give prompt notice to the other party, and the Commission may, at any time during the continuation of the force majeure event, elect to suspend the performance of the Consultant under the Agreement for the duration of the force majeure. The Commission will not be obligated to pay for the Services to the extent and for the duration that performance of the Services is delayed or prevented by force majeure, but, provided the Consultant is not in default of any obligation of the Consultant under the Agreement, the Commission will pay to

the Consultant, according to the terms of the Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of suspension. The term "force majeure" means an extraordinary event or effect that the parties could not have anticipated or controlled and that renders performance impossible or impracticable for the duration of the event or effect. Such events or effects include but are not limited to: extraordinary acts of nature, such as tornadoes; or of people, such as acts of terrorism; or of governments, such as imposition of martial law.

Article VI. COMPENSATION OF THE CONSULTANT; REIMBURSEMENT FOR EXPENSES

The Commission will compensate the Consultant for the Services in the amount and manner set forth on Schedule D.

conclusively be deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101 et seq., and that the Commission, the User Agency and their successors and assigns, will be the copyright owner of all aspects, elements and components of them in which copyrights can subsist. To the extent that any of the foregoing does not qualify as a "work made for hire," the Consultant hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the Commission, the User Agency and their successors and assigns, all right, title, and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and all other intangible, intellectual property embodied in or pertaining to the Work contracted for under the Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law.

Article VIII. INDEMNIFICATION

Section 8.01 Indemnification by Consultant. The Consultant must indemnify, defend, keep and save harmless the Commission and the User Agency and their respective commissioners, board members, officers, officials and employees, from and against all claims, demands, suits, losses, costs and expenses, including the fees and expenses of attorneys, (including court costs and expert's fees) that may arise out of or be based on any injury to persons or property that is, or is claimed to be, the result of the Consultant's performance or non-performance of the agreement or of any error, omission or negligent or willfully wrongful act of the Consultant, or and any person employed by the Consultant, or and any Subcontractor retained by the Consultant in connection with this Project.

Article IX. INSURANCE MAINTAINED BY THE CONSULTANT

Article X. DEFAULT

Section 10.01 Events of Default. Each of the following occurrences constitutes an Event of Default by the Consultant under the Agreement:

- (a) Failure or refusal on the part of the Consultant to duly observe or perform any obligation or agreement on the part of the Consultant contained in the Agreement, which failure or refusal continues for a period of 10 days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such 10-day period) after the date on which written notice of it has been given to the Consultant by the Commission;

Section 10.03 Remedies Not Exclusive. No right or remedy in the Agreement conferred upon or reserved to the Commission is exclusive of any right or remedy provided or permitted under this Agreement or by law or equity, but each is cumulative of every other right or remedy given in the Agreement or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently or from time to time.

Article XI. CLAIMS AND DISPUTES

Section 11.01 General. All Claims arising under, related to or in connection with the terms of this Agreement or its interpretation, whether involving law or fact or both, including questions concerning allowability of compensation, and all claims for alleged breach of contract will first be presented to the Authorized Commission Representative. The Consultant will present all disputes which can not be resolved, by discussion with the Authorized Commission Representative, to the Executive Director for final determination.

Section 11.02 Claim Procedure. The Consultant will make all requests for determination of claims in writing, specifically referencing this Section, and will include: 1) the issue(s) presented for resolution; 2) a statement of the position of the Consultant; 3) the facts underlying the dispute; 4) reference to the applicable provisions of the Agreement by page and section; 5) identification of any other parties believed to be necessary to the resolution; and 6) all documentation which describes and relates to the dispute. The Authorized Commission Representative will have 30 business days to respond in writing to the Claim by

supplementing the submission or providing its own submission. The Authorized Commission Representative will attempt to negotiate a resolution of the claim by agreement, but if a negotiated resolution is not achieved, the Authorized Commission Representative must provide a written ruling within 60 days of receipt of the Claim. However, the Consultant may agree in writing to an extension not to exceed sixty (60) days. The Dispute must be filed within thirty (30) days of the receipt of the ruling by the Authorized Commission Representative.

Section 11.03 Dispute Procedure. In the event that the Authorized Commission Representative and the Consultant can not resolve the Claim, the Consultant may file a Dispute to the Executive Director. The Authorized Commission Representative shall file a response within thirty (30) days.

Section 11.04 Executive Director's Determination. The Executive Director's final decision will be rendered in writing no more than 45 business days after receipt of the response by the Authorized Commission Representative was filed or was due unless the Executive Director notifies the Consultant that additional time for the decision is necessary. The Consultant must follow the procedures set out in this Section to receive the Executive Director's final decision. In the event the Consultant disagrees with the Executive Director's final decision, the Consultant may file, a common law *writ of certiorari* in the Circuit Court of Cook County which shall be the sole and exclusive judicial remedy of the Consultant. However, the Consultant must have followed the procedures in this section as a condition precedent to filing a common law *writ of certiorari*. The Consultant shall not withhold performance of any Services required by the Commission under this Agreement during the dispute resolution period.

Section 11.05 Consultant Self-Help Prohibited. The Consultant must never withhold performance of its Services by, for example, refusing to review and approve appropriately submitted invoices or pay applications, timely to make recommendations on general contractor claims, or promptly to issue other appropriate approvals needed by others where doing so would potentially harm third parties, such as subconsultants, the general contractor, or its subcontractors. Doing so to gain potential leverage in negotiating or settling the Consultant's claims against the Commission or User Agency will constitute bad faith on the Consultant's part. This provision is not intended to prohibit the Consultant from exercising its well-considered professional judgment, however, in carrying out its duties and responsibilities under the Agreement.

Article XII. CONFIDENTIALITY

All of the reports, information, or data prepared or assembled by the Consultant under the Agreement are confidential, and the Consultant must not make such reports, information or data must available to any party without the prior written approval of the Commission. In addition, the Consultant must not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning the Agreement, the Project or the Services. If the Consultant is served with a subpoena requiring the production of documents or information which is deemed confidential, the Consultant will immediately notify the Commission in writing and provide a copy of the subpoena to the Commission in sufficient time for the Commission to attempt to quash, or take other action in relation to, the subpoena.

Article XIII. ASSIGNMENT

The Consultant acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of the Consultant and, therefore, that neither the Agreement nor any right or obligation in the Agreement may be assigned by the Consultant, in whole or in part, without the prior written approval of the Commission. For purposes of this paragraph, if the Consultant undergoes a change in control, the change in control is deemed an assignment of the Agreement; a change in control is defined as a transfer of more than 50% of the equity ownership of the Consultant during any 12-month period. In the event of an assignment by the Consultant without the prior written approval of the Commission, the Commission will have the right to immediately terminate the Agreement without fault or responsibility. The Consultant further acknowledges that the Consultant represented to the Commission the availability of certain members of the Consultant's staff who will be assigned to Project; therefore, in the event of the unavailability of such members for any reason, the Consultant must so notify the Commission in writing, and must assign other qualified members of the Consultant's staff, as approved by the Commission, to the Project.

Article XIV. RELATIONSHIP OF PARTIES

Under the Agreement, the relationship of the Consultant to the Commission is that of an independent contractor, and the Consultant will have no right or authority to make contracts or commitments for or on behalf of the Commission, to sign or endorse on behalf of the Commission any instruments of any nature or to enter into any obligation binding upon the Commission. The Agreement will not be construed as an agreement of partnership, joint venture, or agency.

Article XV. GENERAL

Section 15.01 Consultant's Authority. The Consultant represents that its execution of the Agreement is authorized by a resolution of its Board of Directors, if a corporation, or similar governing document if a partnership or a joint venture, and the signature(s) of each person signing on behalf of the Consultant have been made with complete and full authority to commit the Consultant to all terms and conditions of the Agreement, including each and every representation, certification and warranty contained or incorporated by reference in it.

Section 15.02 Counterparts. The Agreement may be executed in any number of counterparts, any of which will be deemed an original.

Section 15.03 Entire Agreement. The Agreement constitutes the entire understanding and agreement between the parties to this Agreement and supersedes any and all prior or contemporaneous oral or written representations or communications with respect to the subject matter hereof, all of which communications are merged in this Agreement. The Agreement must not be modified, amended or in any way altered except by an instrument in writing signed by both of the parties.

Section 15.04 Governing Law. The Agreement has been negotiated and executed in the State of Illinois and will be construed under and in accordance with the laws of the State of Illinois.

Section 15.05 No Waiver. The waiver by either party of any breach of the Agreement will not constitute a waiver as to any succeeding breach.

Section 15.06 Notices. All notices required to be given under this Agreement must be given in writing and must be hand delivered or sent by United States certified or registered mail, postage prepaid, addressed to the Commission or to the Consultant at their respective addresses set forth above, as appropriate. If given as provided in this Agreement, such notice is deemed to have been given on the date of delivery, if delivered by hand, and on the second business day after mailing, if given by mail. The Commission or the Consultant may, from time to time, change the address to which notices will be sent by giving notice to the other party in the manner provided in this subparagraph.

Section 15.07 Non-liability of Public Officials. No Commission trustee, employee, agent, officer, or official is personally liable to Consultant or its subcontractors, and the Consultant and its subcontractors are not entitled to, and must not attempt to, charge any of them with liability or expense or hold them personally liable to Consultant or its subcontractors under this Agreement.

Section 15.08 Severability. If any provision of the Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, such provision will be severed from the Agreement and such invalidity or unenforceability will not affect any other provision of the Agreement, the balance of which will remain in full force and effect; provided, however, that if such provision is deemed invalid or unenforceable as a matter of law, such provision will be deemed to have been modified so as to be valid and enforceable to the maximum extent permitted by law.

Section 15.09 Successors and Assigns. Except as otherwise provided in the Agreement, the Agreement is binding upon and inures to the benefit of each of the parties to the Agreement and their respective successors and assigns.

Section 15.10 Non-appropriation of Funds. If funds have not been appropriated in full or in part, the Commission has the right to terminate the Agreement.

The billing for the Subconsultant must then be made part of the next monthly invoice. The receipt of any certificate does not constitute agreement by the Commission that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. IV. CERTIFICATION OF COURT-ORDERED CHILD SUPPORT COMPLIANCE

For purpose of this Section IV, "SUBSTANTIAL OWNER" means any person who owns or holds a ten percent (10%) or more percentage of interest in the Contractor. If the Contractor is an individual or sole proprietorship, substantial owner means that individual or sole proprietorship. Percentage of interest includes direct, indirect and beneficial interests in the Contractor. Indirect or beneficial interest means that an interest in the Contractor is held by a corporation, joint venture, trust, partnership, association, state or other legal entity in which the individual holds an interest or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a twenty percent (20%) interest in Contractor, and an individual or entity has a fifty percent (50%) or more percentage of interest in Corporation B, then such individual or entity indirectly has a ten (10%) or percentage of interest in the Contractor. In this case, the response to this Section IV, must cover such individual(s) or entity. If Corporation B is held by another entity, then this analysis similarly must be applied to that next entity.

If Contractor's response in this Section IV is 1 or 2, then all of the Contractor's Substantial Owners must remain in compliance with any such child support obligations (1) throughout the term of the contract and any extensions thereof; or (2) until the performance of the contract is completed, as applicable. Failure of Contractor's Substantial Owners to remain in compliance with their child support obligations in the manner set forth in either 1 or 2 constitutes an event of default.

Check one:

1. No Substantial Owner has been declared in arrearage on his or her child support obligations by the Circuit Court of Cook County or by another Illinois court of competent jurisdiction.
2. _____ The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on their child support obligations. All such Substantial Owners, however, have entered into court-approved agreements for the payment of all such child support owed, and all such Substantial Owners are in compliance with such agreements.
3. _____ The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on their child support obligations and: (1) at least one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support for the payment of all such child support owed; or both (1) and (2).
4. _____ There are no Substantial Owners.
