I. PROPOSAL SUPPORT DOCUMENTS

A. Basis of Award (Award Criteria)

To promote the intended goal of economic opportunity and maximize the use of minority personnel on this project, the Public Building Commission of Chicago has established the Award Criteria formula for the purpose of evaluating proposals and awarding the contract. A contract in the amount of the total Base Bid or Base Contract Price will be awarded to the responsible bidder with the lowest Award Criteria Figure. The Public Building Commission of Chicago reserves the right to check all calculations for accuracy. The fulfillment of the Award Criteria does not abrogate the responsibilities of the Contractor to comply with federal and state requirements under the Equal Employment Act and the Illinois Human Rights Act.

1. <u>Instructions</u>

Award Criteria Formula

The Bidder shall complete the Award Criteria Formula and transfer the final Award Criteria Figure - Line 15 to the space provided on the itemized proposal sheet. Failure to complete the formula may be cause for rejection of the Bidder's proposal. The successful bidder will be held responsible for adhering to the figures submitted in Lines 1, 2, 4, 6, 8, 10 and 12 during construction of the project.

Lines 2, 4 and 6 in the formula shall not be greater than fifty percent (50%) in each category for the sole purpose of determining award of the contract. Similarly, lines 8, 10 and 12 shall not be greater than ten (10%) percent in each category for the purpose of award criteria only. The fifty percent (50%) and ten percent (10%) goals are not intended to restrict the total number of minority and female employees to be used on the project, but only to establish limiting figures for use in the formula. Journeyworker includes journeyworkers from the major trades listed herein, and the teamsters. Watchmen and custodial workers are not creditable in the formula.

Base Bid, in figures Line 1. Percentage of the Journeyworkers hours that the Contractor Line 2. proposes to be worked by minority Journeyworkers during construction of the project. (Maximum figure 0.50) Multiply Line 2 by Line 1 by 0.04 Line 3. Liquidated Damages

The Contractor hereby consents and agrees that, in the event that it fails to comply with each of the minimum commitments submitted with this Proposal on Lines 2, 4, 6, 8, 10, and 12 of the Award Criteria Formula, covering minority and female Journeyworkers, apprentices, and laborers respectively, the following shall apply.

If the total hours in any category for which a percentage is assigned in Lines 2, 4, 6, 8, 10, or 12 of the Award Criteria equals zero at the completion of the work, then a net deficiency of the entire percentage assigned will be deemed to exist. For any net deficiency in each category, the following amounts shall be deducted as liquidated damages from monies due the Contractor and the Contract Sum modified accordingly:

~ 1,288,74m

CONTRACT NO. 1287

a) For each full one (1%) percent deficiency of minority Journeyworkers not utilized – seventeen and ninety three hundredths cents per each hundred dollars of the base bid calculated as follows:

> Line 1 x 0.1793 100

Each one (1%) percent deficiency toward the goal for female Journeyworkers (Line 8) shall be calculated in the same way.

b) For each full one (1%) percent deficiency of minority apprentices not utilized – sixteen and ninety three hundredths cents per hundred dollars of the base bid calculated as follows:

Line 1 x 0.1693 100

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

c) For each one (1%) percent deficiency of minority laborers not utilized – fourteen and ninety three hundredths cents per each hundred dollars of the base bid calculated as follows:

> Line 1 x 0.1493 100

- d) Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.
- e) The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

3. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. Contract No. 1287

V. INSTRUCTIONS TO BIDDERS

A. Examination Of Documents By Bidder

- 1. The Bidder shall, before submitting its bid, carefully examine all Contract Documents, including but not limited to, the Standard Terms and Conditions (Book 1); Project Information, Instructions, and Execution Documents (Book 2); Technical Specifications (Book 3); plans; drawings; Addenda (if any); and bonds. The Bidder shall inspect in detail the site of the proposed Work and familiarize itself with all the local conditions affecting the Contract and the detailed requirements of construction. If its bid is accepted, the bidder will be responsible for all errors in its proposal resulting from failure or neglect to comply with these instructions. In no case will the Commission be responsible for any change in anticipated profits resulting from such failure or neglect.
- 2. Unless otherwise provided in the Contract, when the plans or specifications include information pertaining to subsurface exploration, borings, test pits, and other preliminary investigation, such information represents the opinion of the Commission as to the location, character, or quantity of the materials encountered and is only included for the convenience of the Bidder. The Commission assumes no responsibility with respect to the sufficiency or accuracy of the information, and there is no guaranty, either expressed or implied, that the conditions indicated are representative of those existing throughout the work, or that unanticipated developments may not occur.

B. Interpretations Or Addenda

- 1. The Commission will not furnish oral interpretations of Contract Documents. If an interpretation is desired by a prospective Bidder, the interpretation should be requested in a letter addressed to the Owner's Representative named in the Advertisement for Bids. Any inquiry received ten (10) or more days prior to the date fixed for opening of bids will be considered. Every interpretation or revision will be in the form of an addendum to the Contract Documents and, when issued, will be on file in the office of the Commission at least five (5) days before bids are opened. Although all addenda will be mailed to each person obtaining Contract Documents, it shall be the Bidder's responsibility to inquire as to the addenda issued. All such addenda shall become part of the Contract and attached thereto and all Bidders shall be bound by such addenda, whether or not received by the Bidders.
- 2. If any such differences or conflicts are not called to the Commission's Representative's attention ten (10) days or more prior to submission of bids, the Commission's Representative shall decide which of the conflicting requirements will govern, and the Contractor shall perform the work at no additional cost to the Commission in accordance with the decision of the Commission's Representative.

C. Inspection Of Site

Bidder shall inspect the Site to become familiar with the conditions relating to the Work to be performed, the facilities involved, and the difficulties and restrictions attending the performance of this Contract. Failure of the Bidder to visit the Site shall not relieve or alter the Bidder's responsibility of completing the Work as set forth in the Contract Documents.

D. Pre-Qualification Of Bidders

1. Unless otherwise indicated in Part I "Project Information," the Commission has heretofore issued Request for Qualifications (RFQ) in order to approve the qualifications of firms to perform work on certain projects of the Commission. Responses to the RFQ were evaluated by the Commission on the basis of the firm's experience and past performance, technical qualifications, organization and equipment, financial resources, bonding and insurance capacity, and other factors deemed relevant by the Commission. Notice of pre-qualification has been provided by the Commission to all firms approved as "pre-qualified," and only firms that have received notification of pre-qualification are eligible to bid on this Contract. Moreover, a firm that has been pre-qualified as a separate entity (e.g.

sole proprietor, partnership, or corporation) is not eligible to submit a bid for this Contract as a joint venture with another pre-qualified firm unless such joint venture has been notified of its pre-qualification.

2. The Commission reserves the right to take such steps as it deems necessary to determine the continuing qualifications of the Bidder to adequately perform the requirements of the Contract, and the Bidder shall furnish to the Commission all information and data requested for this purpose, including completed form "Statement of Bidder's Qualifications" provided with this Book 2. Failure of the Bidder to cooperate with the Commission in its investigation or submit any additional documents requested by the Commission shall be grounds for disqualification.

E. Competency of Bidder

- The Commission reserves the right to refuse to award a Contract to any person, firm, or corporation
 that is in arrears or is in default to the Commission upon any debt or contract, or that is a defaulter, as
 surety or otherwise, upon any obligation to the Commission, or had failed to perform faithfully any
 previous contract with the Commission.
- The Bidder, if requested, must present within a reasonable time, as determined by the Commission, evidence satisfactory to the Commission of performance ability and possession of necessary facilities, pecuniary resources, and adequate insurance to comply with the terms of these specifications and Contract Documents.

F. Substitutions Prior To Bid Date

- 1. The Architect will consider written requests for substitutions received at least ten (10) days prior to bid date. Requests received after that time will not be considered.
- 2. The Architect shall consider only those requests accompanied by a copy of the Request for Substitution form, Exhibit Q, filled out completely, signed, and including the required attachments.
- 3. Substitutions will not be considered if, in the opinion of the Architect, acceptance will require substantial revision of the Contract Documents.
- 4. Notification of approved substitutions will be made by addendum.

G. Preparation of Bid

- 1. Two (2) copies of Project Information, Instructions, and Execution Documents (Book 2) shall be prepared with original signatures and notarizations wherever required.
- 2. All bids must be prepared on forms supplied by the Commission and shall be subject to all requirements of the Contract Documents. Unless otherwise stated, all blank spaces on the bid page or pages, applicable to the subject specification, should be correctly filled in. All bids must be regular in every respect and no interlineations, excisions or special conditions shall be made by the Bidder.
- 3. The Bidder's name, address, telephone and fax number should be clearly written on the front cover of each of the copies of Book 2 submitted.
- 4. When required by the Contract Documents, the Bidder may attach supporting documentation or additional information to the back of the form to which it refers.
- 5. The Commission may consider as irregular, and at its option reject, any bid on which there is an alteration of or departure from the bid form hereto attached.

- 6. The Bid Documents shall include the following:

 - k) Affidavit of Uncompleted Work
- 7. Current versions of the following documents shall be on file at the Commission at the time of bid opening:
 - a) Financial Statement
 - b) Disclosure Affidavit
 - c) Affidavit of Local Business, including applicable documentation
 - d) Statement of Bidder's Qualifications
- 8. See the title page for address information.
- 9. The Contractor is required to submit a fully executed Disclosure of Retained Parties within five (5) days of Notice of Award.

H. Bid Guarantee: Deposit and Time Period

- 1. The Bid must be accompanied by a bid guarantee in the amount set forth in Part I.A. "General Project Information" to ensure:
 - a. Non-withdrawal of the bid after date and time of opening.
 - b. The furnishing of the Performance and Payment Bond and evidence of the required insurance coverage by the successful Bidder as required by the Contract Documents.
- The guarantee shall be made by bid bond, certified check or cashier's check payable to the order of the Public Building Commission of Chicago. No bid will be considered unless it is accompanied by the required guarantee. Cash deposits will not be accepted.
- 3. The Bidder agrees that this bid may be held by the Commission for a period not exceeding ninety (90) days from the date fixed for the opening of bids and that the bid may not be withdrawn within that period.
- 4. If written notice of the acceptance of this Bid is mailed, telegraphed or delivered to the undersigned within the time noted herein, or at any time thereafter before this Bid is withdrawn, the undersigned agrees to enter into a Contract with the Public Building Commission of Chicago with the Bid as accepted. The undersigned agrees to give a Performance and Payment Bond as specified in the Contract Documents, with good and sufficient surety or sureties, and to furnish the required insurance, all within five (5) days after given Notice of Award.

5. The bid bonds, certified checks, or cashier's checks of unsuccessful Bidders will be returned as soon as practicable after the opening of the bids; however, the deposits of the three (3) lowest Bidders shall be retained until the Commission awards the Contract to one of them, or for any reason rejects all bids.

I. Administrative Fee

Each Bidder must submit with its bid a certified or cashiers' check in the amount set forth in Part I.A. "Administrative Fee" as an administrative fee for processing and handling of non-responsive bids. Upon award of the contract, the successful Bidder's check, and the checks of all Bidders whose bids are determined by the Commission to have been responsive, shall be returned to the Bidders submitting them. Should one or more bids be rejected by the Commission as non-responsive, the checks from the non-responsive Bidder or Bidders shall be deposited in the general funds of the Commission as an administrative fee to compensate the Commission for the costs of processing and handling the non-responsive bid or bids.

J. Bidder's Execution of Bid

- 1. The Bidder must execute the Bid in two (2) original counterparts.
- 2. Bids must be submitted with original signatures in the space provided on the appropriate Part II.B. "Acceptance of the Bid." Bids not properly signed shall be rejected.
- 3. If Bidder is a corporation, the President and Secretary must execute the bid and the Corporate seal must be affixed. In the event that this bid is executed by other than the President, attach hereto a certified copy of that section of the Corporate By-Laws or other authorization by the Corporation that permits the person to execute the offer for said corporation.
- 4. If Bidder is a partnership, all partners must execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Commission must be submitted.
- 5. If Bidder is a sole proprietorship, the sole proprietor must execute the bid.
- 6. A "Partnership," "Joint Venture," or "Sole Proprietorship" operating under an Assumed Name must be registered with the Illinois county in which it is located, as provided in 805 ILCS 405 (1992).

K. Basis of Award (Award Criteria)

The Bidder shall complete the figures in the Award Criteria Formula to compute the Award Criteria Figure and complete the Trade Participation information. Such information shall be attached to the bid on the form provided.

L. Alternates

The Bidder shall indicate a price for each and every Alternate, if any, described in the Contract Documents.

M. Unit Prices

- The Bidder is required to complete the Unit Prices form in its entirety.
- Unit prices provided may be used as the basis for adjustments to the Contract Price in the event that the quantities of Work required by the Contract Documents are increased or decreased. However, the Commission reserves the right to negotiate the Unit Prices.

Contract No. 1287

3. Unit Prices shall be inclusive of the cost of materials, work, layout, drafting, balancing and testing, tools and sundries, overhead and profit, supervision, and any and all other costs of whatsoever nature in connection therewith for work in place and accepted or omitted as the case may be. The calculation for determining the number of units of work shall be actual surface, volume, length, hours, and number of individual items listed for the class of work complete in place and accepted or omitted. No allowance for waste, loss, breakage, damage, or difficulties shall be made.

N. Affidavit of Non-Collusion

O. MBE and WBE Commitments

Pursuant to Article 23 "MBE/WBE Special Conditions, each Bidder shall submit with its Bid affidavits and supporting documents describing the extent to which Minority Business Enterprise ("MBE") and Women Business Enterprise ("WBE") firms will participate in the Contract.

P. Affidavit of Uncompleted Work

The Bidder is required to submit a fully executed Affidavit of Uncompleted Work, which declares, among other things, the value and estimated completion date of all uncompleted contracts to be completed with Bidder's own forces and to be subcontracted to others. Such affidavit shall be attached to the bid on the form provided.

Q. Bidder's Financial Statement

Each Bidder shall have on file in the office of the Commission at the time of bid opening a financial statement dated not earlier then the end of said Bidder's last fiscal year period. This will be kept on file by the Commission as a representative statement for a period of one year only. If a Bidder does not have such statement on file, it must submit a copy with its bid. Failure to have a current financial statement on file at the Commission at time of bid opening may be cause for the rejection of the Contractor's Bid.

R. Disclosure Affidavit

Each Bidder shall have on file in the office of the Commission at the time of bid opening a fully executed Disclosure Affidavit pursuant to Section 21.13 "Disclosure Affidavit."

S. Affidavit of Local Business

Each Bidder shall have on file in the office of the Commission at the time of bid opening a fully executed Affidavit of Local Business with current documentation as required in Section 21.18 "Local Business Preference."

T. Statement of Bidder's Qualifications

Each Bidder shall have on file in the office of the Commission at the time of bid opening a fully executed Statement of Bidder's Qualifications or a Qualification Submittal in response to a Request for Qualifications (RFQ). The Commission reserves the right to request additional information regarding the capability of the Bidder to perform the Contract.

U. Disclosure of Retained Parties

The lowest responsible and responsive Bidder shall submit a fully executed Disclosure of Retained Parties pursuant to the instructions on said document.

V. Submission of Bid

- 1. Two (2) copies of all bid documents with original signatures shall be enclosed in two (2) envelopes each (outer and inner), both of which shall be sealed and clearly labeled with "BID DOCUMENTS," the Contract number, name of Bidder, and date and time of opening.
- 2. Bids received prior to the advertised hour of opening will be securely kept.
- 3. Written modifications of bids will be considered only if received prior to the time stated for receipt of Proposals and provided "BID MODIFICATIONS TO SEALED PROPOSAL" is marked on the lower left-hand corner of the envelope in which the bid modification is enclosed so that the modification will be recognized to prevent its being opened prior to scheduled public opening of bids. Telephonic or oral modifications will not be considered. Bidders are cautioned that modifications which are not explicit and which are in any sense subject to misinterpretation shall make the bid so modified or amended subject to rejection.

W. Withdrawal Of Bids Before Bid Opening

Any Bidder may withdraw its bid by letter, facsimile, telegraphic request, or by personally securing, with proper identification, the submitted bid proposal at any time prior to the time fixed for opening of bids. A telephonic request to withdraw a bid will not be considered.

X. Opening Of Bids

At the time and place fixed for the opening of bids, the Commission will cause to be opened and publicly read aloud every bid received within the time set for receiving bids irrespective of any irregularities therein. Bidders and other persons properly interested may be present in person or by representative.

Y. Evaluation of Bids

- The Commission reserves the right to check all calculations and to correct all extensions in case of error.
- 2. If a discrepancy occurs in an amount written both in words and in figures, the amount written in words will prevail.
- 3. Along with reviewing the calculations of each bid, the Commission will evaluate each Bidder's responsiveness to all Bid requirements and responsibility.

Z. Award Of Contract; Rejection Of Bids

- 1. The Contract will be awarded to the responsible Bidder submitting the lowest Award Criteria, as defined herein, complying with the conditions set forth in the Contract Documents. However, if the local business preference is applicable, the determination of the lowest responsible bidder will be made after a two percent (2%) local business preference is applied to the Award Criteria of all Bidders that do not meet the conditions defined in Section 21.18 "Local Business Preference."
- 2. The Bidder to whom the award is made will be notified at the earliest possible date.
- 3. Upon award of Contract, the Commission will process the Contract for final execution.

4. The Commission reserves the right to reject any and all bids and to waive any informality in bids received whenever it determines such rejection or waiver is in its interest.

AA. Performance and Payment Bond and Insurance

- 1. Upon approval by the Commission to award, and within five (5) days after being given notice, the successful Bidder shall execute and deliver to the Commission the Performance and Payment Bond in the form included in the Contract Documents and evidence of the required insurance coverage.
- 2. The Performance and Payment Bond shall be in the form herein and in the full amount of the Base Contract Price and shall be security for the faithful performance of the Contract and payment of all persons, firms, or corporations to whom the Contractor may become legally indebted for labor, material, facilities or services of any nature, employed or used by it in performing the Work. The current power of attorney for the persons who sign for any surety company shall be attached to such bond. Such power of attorney shall be sealed and certified with a "first hand signature" by an officer of the surety. A facsimile signature will not be accepted by the Commission. The Commission reserves the right to approve the surety company.
- 3. The failure of the successful Bidder to supply the required Performance and Payment Bond or evidence of the required insurance coverage within five (5) days of notice, or within such extended period as the Commission may grant based upon reasons determined sufficient by the Commission, shall constitute a default and the Commission may either award the Contract to the next lowest responsible bidder or re-advertise for bids. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

BB.Order of Precedence of Components of the Contract Documents

- 1. The order of precedence of the components of the Contract Documents shall be as follows:
 - a) Standard Terms and Conditions (Book 1);
 - b) Addenda, if any;
 - c) Drawings;
 - d) Technical Specifications;
 - e) Project Information, Instructions, and Execution Documents (Book 2);
